The Federations of Beckwithshaw, Kettlesing Felliscliffe and Ripley Endowed CE Primary Schools

20th November 2026

Dear Parents/Guardians

Arrangements for school closure due to adverse weather conditions

If we are affected by heavy snow or other adverse weather conditions and have to close the school, the following arrangements will apply:

- An In-App message, **as close to 7:30 am as possible,** will be sent to all parents to advise them that the school is closed. Please ensure your In-App notifications in Arbor are switched on.
- The school's Facebook feeds will be updated.
- Local radio stations, i.e. Your Harrogate Radio will be contacted.
- Children will be expected to engage in remote learning if school is closed. A copy of our Remote Learning Policy is attached for your reference.

If school has to close early during the day, we will contact parents by In-App message and email to advise on the situation. It is therefore most important that we have the most up to date mobile contact details for all parents and guardians. If you need to update these, please ensure this is completed as part of the Arbor Annual Data Check sent to all parents earlier today.

Please also note:

- You will NOT be contacted if the school is open.
- If you hear nothing the following day after a school closure please assume school is OPEN.

Warmest Regards

Miss V Kirkman
Executive Headteacher
