Dear Parents and Carers,

Parent/Carer Governor Election

As you are aware, the IEB recently commenced an online voting system for the parent/carers federation governor election - a new system trialled by North Yorkshire.

Unfortunately, it has become apparent at school level that there are technical issues with this portal which crucially affects the validity and accuracy of the voting process.

With this in mind, the election process will now be led by school to ensure full compliance with statutory guidance.

Today, you will receive a paper ballot with information on how to complete and the deadline for nominations. These will come home with all children this evening.

Yours Sincerely

The Interim Executive Board
