

Class 1 – EYFS

Spring 1 Learning Letter

January 2025

Dear parents and carers,

Happy New Year and welcome back! I do hope you had a lovely, restful Christmas break. We are beginning another exciting half term with lots of curriculum enriched activities and as always, high standards.

If you have any questions, please do not hesitate to ask or email a.brown@rbk.n-yorks.sch.uk. This letter will include key information, dates and homework for the term.

Yours sincerely,

Miss Brown

Children should bring in water bottles daily to keep hydrated throughout the day.

Water bottles will be sent home on a Friday.

Take a look at our SeeSaw to see regular updates of our learning.

Please feel free to add comments and like your child's work.

Homework

We really appreciate the time taken to support your child at home and can really see the difference this makes to your child's progress.

Children are to complete the following homework each week;

- Reading daily
- Numbots (please let me know if you need a login)
- Phonics/Letter formation sheets

Your child has a homework book, this is where any homework is to be completed and recorded (unless uploaded to SeeSaw or brought into school). Below, there is additional topic-based homework that can be completed over the half term to deepen and extend knowledge learnt in school. This needs to be handed in on SeeSaw / homework book / emailed across by **Monday 10th February**. The children will choose a library book from the school library every Friday to share at home. This is a sharing book and is to be enjoyed and shared together, it is not matched to their reading level.

This is your topic homework for this half term, please pick and choose which activities you would like to complete. There is no set amount you need to do. You can add pictures onto Seesaw, email them to the class teacher or write/draw in the homework book by **Monday 10th February**.

Use toilet rolls, boxes, and bottle tops to build cars, rockets, or buses.

Can you find 2D shapes around your house?

Take photographs and label them.

Can you create some of your own rules which will help you to be a good friend?

Have some birthday cards showing ages from 1 to 5, muddled up. Can you make playdough cakes with the correct number of candles to match each birthday card.

Sort toy vehicles by colour, size, or type (land, air, sea).

Draw maps or follow routes using positional language (over, under, next to) in the outdoor area.

Class One

EYFS Homework

Spring 1

Can you sing "The Wheels on the Bus" or "Down at the Station" and add your own actions?

We are very excited to see your projects!

Please feel free to come up with your own project if you have a different idea.

Learning this half term

In **Literacy and Topic**, we will be looking at different types of transport.

We will be looking at the different ways we get to school, as well as different types of transport that are ON land, ON sea and in the air.

We will also be looking at how to stay safe by the road, the job of life boats.

In **R.E.** we will be looking at Which times are special and why?

We will be looking at different types of celebrations such as:

Sukkot a Jewish celebration.
Diwali a Hindu celebration
Christmas a Christian celebration

Expressive Arts and Design

We will be creating our own vehicles this half term using junk modelling:

boats that float on the water
hot air balloons
aeroplanes

Maths

This half term the children will cover three units of work. In the first unit the children will be looking at and comparing circles and triangles

In unit 2 the children will be looking at numbers 1 to 5 using subitising, adding 1 more and 1 less, representations of numbers 1-5 and composition of 4 and 5.

In unit 3 the children will look at shapes with 4 sides including squares and rectangles, how we can combine these shapes and find shapes in the environment.

Class One

EYFS

Learning Overview

Spring 1

Physical Development

In **PE**, we will be learning how to play Dodgeball as well as Boccia which is a precision ball sport, similar to bocce, and related to bowls and pétanque

Personal, Social and Emotional Development

In **PSHE** we will be understanding why we have rules, the importance of persistence and perseverance in the face of challenges, learn how to communicate effectively with others, practice 'grounding' coping strategies, and learn new skills that will help them show resilience and perseverance in the face of challenge.
